

- Point System:** Each match consists of a total of 20 points. Matches are individual format. The lower handicaps on each team play each other, while the higher handicap plays the opposing teams' higher handicap. If both players on one team carry identical handicaps, the computer will determine the pairings. 2 points will be awarded for each hole won and a 2 point bonus will be awarded to the player with the low net score - a total of 20 points. If a push occurs on a hole, each player is awarded one point. With these two matches, there is a total of 40 points possible per team per night.
- Handicap:** All of the matches are handicapped. Each player will establish their handicap the first night of league, regardless if they have played in a previous league before. League will use an 80% handicap format using your previous six scores.
- Rainouts:** We try to get league in every night, so please be on time. In the event of a rainout, the missed week will be added to the end of the season before the championship matches. League play will continue as scheduled the week following a rainout. If the weather is looking unfavorable for league, we will post a cancellation notice on our league web page: [imagolfer.com](http://imagolfer.com), we will also do our best effort to get calls out to players.
- Championship:** The league championship will be played following the 17-week season. On this night 1<sup>st</sup> place will play 2<sup>nd</sup> place, 3<sup>rd</sup> place v. 4<sup>th</sup> place, etc. All of the points earned in this match will be added to the season cumulative point value to determine the league champion. If a tie occurs in overall standings, season head to head results will be used for a tiebreaker. The team with the most points following this night will be deemed champions.
- Player Absence:** If a player or team will be absent, please contact the team you are playing against, or the course to let them know. If a

league player is unable to attend or does not show for a week of league, there are three alternatives:

1. Substitute player -- Substitute plays in place of original player, and establishes handicap that night.
2. Playing blind -- If neither a player nor a sub shows up, the opponent will play against the "ghost golfer". The ghost golfer will have a 0 handicap, and assigned bogey golf.
3. Make Up Round -- The player also has the chance to make up the league date. This can be done only prior to the missed week. League make-ups cannot be done for a week that has already been played. If making up the round, please see if the team you are playing against would like to play at the same time.

**Maximum Play Time:** The maximum playing time for a team is 2 hours and 15 minutes. If there are complaints of slow play we will monitor and post start and end times if needed.

**Payments:** League fees can be paid before league begins or weekly.

**Registration:** League registration is due by April 1<sup>st</sup>, 2018. This allows the schedule to be generated and sent out before the 1<sup>st</sup> night of league.

**League Offerings:** Monday Masters/Monday Sodbusters  
Tuesday Twilight  
Wednesday Night League

**League Meetings:** Monday Masters – Monday April 1<sup>st</sup> at 5:30pm
